

BY-LAW NO. 145
Effective May 2, 2012
Adopted April 26, 2012

This By-Law simply allowed voting by telephone or the Internet (electronic voting) in the 2012 Municipal Election as well as voting by paper ballot. The electronic voting period was for nine days, October 10 to 18, 2012, and the paper ballot voting period was only on the regular Election Day.

This was a “test run” to see if voter participation increased.

This summary is meant to simplify the related By-Law and in NO WAY replaces the actual By-Law. In the event that the By-Law is contravened, all terms listed in the By-Law will take precedence over this Summary.
